

VISION BOARD/BOOK CHECKLIST

Choose to make a board or a book

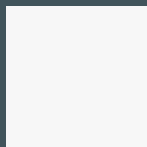

Brianstorm

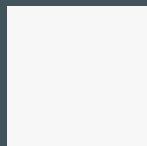

SMART Visions

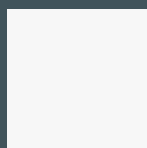

Collect iamges

Collect words

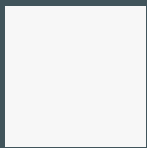

Host a party

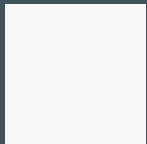

Gather supplies Book/board,
scissors, glue, etc

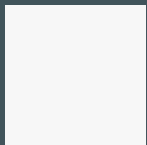

SMART PLANNING METHOD

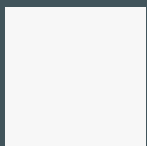

Specific- What exactly are you trying to achieve?

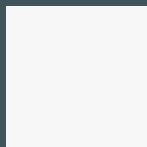

Measurable- How will you know when you have achieved it?

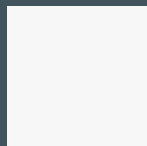

Attainable- Is it genuinely possible to achieve it?

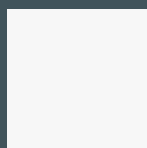

Realistic- Can you realistically achieve this?

Timely- When exactly do you want to accomplish this?

Have you answered all the above questions honestly, really honest?

Take a break and then continue with planning.
